

MEDIA RELEASE

Christmas Miller is admired for her motivational work as a national radio personality, as well as her work as an internationally well-known Intuitive Consultant. She believes that we heal as we unlock the solutions by becoming aware of our blind spots so life can be fully embraced with more significance and joy.

Christmas strongly believes that we all have the ability to create the life we want and deserve and encourages others to take spiritual and personal responsibility for their lives and decisions. She has helped thousands map out clear and precise direction in their paths towards spiritual development and personal enrichment.

With Christmas' highly attuned psychic abilities discovered in her youth, she combines both her natural ability and strong moral ethics to help people move beyond old wounds and repetitive patterns. Christmas offers an outside source of continuous and compassionate confirmation or validation that can be used in everyday life!

Currently, Christmas resides and teaches in Atlanta although her work as an Intuitive Consultant and Speaker is gaining worldwide recognition. She has hosted the popular radio talk show "Contemplations with Christmas Miller", on Contact Talk Radio and has given numerous speaking engagements. She has authored a new book, *Illuminations: A Road Less Traveled – A Modern Day Seer's Journal of the Human Experience* and has a meditation CD titled - Serenity: Guided Meditations for the Heart and Soul.

Be sure to check out her website for upcoming lectures and guest appearances. She has been heard on Atlanta's HOT 107.9 FM, Atlanta's WRFG 89.3 FM, Atlanta's Radio Sandy Springs 1620 AM, "The Big One" - Horne Radio Network, Harlem's WHCR 90.3 FM, Voice America – 7th Wave Network, Healthy Life Radio, and Contact Talk Radio.
